Pres. Numismatic Society,  
Broadway and 155th Street,  
New York City.

Dear Sir:

The Latin Department of this school plans to conduct in its new and modern art gallery a Roman exhibit as part of its celebration of the two thousandth anniversary of the birth of Vergil. The exhibit will run from October 14, to October 31, approximately three weeks.

The primary aim of this showing is to awaken an interest in culture and in the background of classical civilization.

The celebration will reach not only the 9,500 students attending our school, but also other schools to which invitations will be sent.

Your participation in this celebration will be greatly appreciated through the loan of

~~Coins, Medals, Seals, Gems, Scrolls---for Table Cabinet~~  
Exhibit.

-----  
All material loaned will be insured.

May I have the favor of an early personal interview on this matter on any school day preferably after 3 P.M.?

Very sincerely yours,

*Michael Solomon*

Dear Sir:

I am very sorry to state that we are unable to help you with your forthcoming Roman exhibit. We can let nothing out of our Museum except by action of the Council. This body does not meet until the middle of October.

Regretting that we cannot be of assistance,

Very truly yours,

Curator.
